

Behavioral Health School Based Services (SBS): Central and Southern Arizona

You can work with your child's school to request behavioral health services. Schools can locate the AHCCCS School-based Universal Referral Form at: <https://azahcccs.gov/AHCCCS/Downloads/Initiatives/BehavioralHealthServices/UniversalReferralForm.pdf>

The following providers offer unique services for children at school. More information on the services offered, office locations across each county and the best number to call can be found on the provider website.
