

## Provider News Brief

### 2024 VFC Re-Enrollment Required by AHCCCS

If you are a B-UHP contracted provider with members under 19 years of age, it is vital that you complete your 2024 VFC re-enrollment no later than Aug. 31, 2024. Only when the Provider Agreement in ASIIS (Arizona State Immunization Information System) shows an "Approved" status is your facility officially re-enrolled in the program.

There are two steps to re-enrollment.

1. Complete the VFC Provider Agreement for 2024 in the ASIIS portal.
2. Use this website to upload ALL required re-enrollment documents:

<https://redcap.link/reenrollment2024>

Please check ASIIS to view your expiration date and submit your agreement before your current 2023 agreement expires. If your 2023 agreement expires before your 2024 agreement is approved, your VFC ordering will be interrupted. The VFC re-enrollment process will close on Aug. 31, 2024.

**If a location fails to re-enroll by Aug. 31, 2024, that location may be inactivated from the VFC program for non-compliance. Providers who are inactivated by the VFC program WILL have their panel closed to all members under 19 years of age and existing members will be moved to another provider panel.**

Please note: There has been a change in facility type reporting. Community Health Center is no longer a facility type option. If in previous years your facility identified as a Community Health Center, please select Community Vaccinator as your facility type if still applicable.

If you have questions regarding the VFC re-enrollment process or the online forms, please contact the Bureau of Immunization Services, at [ArizonaVFC@azdhs.gov](mailto:ArizonaVFC@azdhs.gov) or contact your Immunization Program Specialist directly.
